Important Information

Issued by Active Niche Funds S.A. (ANF), Avenue de Rumine 7, 1005 Lausanne, Switzerland. ANF is authorised and regulated by the FINMA.

This document is a marketing material. Any reference to specific securities, sectors or markets within this document does not constitute investment advice or a recommendation or an offer to buy or sell any security or fund, and is not intended to substitute the offering documents or prospectus of the Fund. This material may not be distributed, published or reproduced in whole or in part. ANF and or the Management Company of the fund may terminate marketing at any time.

All financial investments involve an element of risk. Therefore, the value of your investment will vary and your initial investment amount cannot be guaranteed. The indicated performance data does not take account of the commissions and costs incurred on the issue and redemption of units. Past performance is not an indication or guarantee for future performances. This product is classified as class 4 out of 7, which is a medium risk class. This rates the potential losses from future performance at a medium level. Poor market conditions could impact your returns.

Investors should understand all characteristics of the Fund's objective before investing and should refer to the prospectus or the funds full list of risks, as well as the KID PRIIPS document for further cost information and the Recommended Holding Period.
