All financial investments involve an element of risk. Therefore, the value of your investment will vary and your initial investment amount cannot be guaranteed. The indicated performance data does not take account of the commissions and costs incurred on the issue and redemption of units. Past performance is not an indication or guarantee for future performances. This product is classified as 6 out of 7, which is the second-highest risk class. This rates the potential losses from future performance at a high level. The past may be a poor predictor of the future and, hence, the actual risk of losing money may vary significantly. The product may be exposed to further risk factors such as operational, political and legal risks which are not included in the summary indicator. Please refer to the prospectus for more detail. This product does not include any protection from future market performance so you could lose some or all of your investment. If we are not able to pay you what is owed, you could lose your entire investment.

Investors should understand all characteristics of the Fund's objective before investing and should refer to the prospectus for the funds full list of risks, as well as the KID PRIIPS document for further cost information and the Recommended Holding Period. This fund is intended for investors seeking exposure to the capital markets and who do not require regular income. Investors must be able to accept considerable annual volatility in order to possibly reap high returns in the long-term. Accordingly, this Subfund is suitable for investors who are able to commit capital for an investment horizon of at least 6 years. Prospective investors should consult their financial adviser before making an investment decision.
The Prospectus, the most recent financial reports and the Key Information Documents, which are available in registered jurisdictions in their respective local language can be found at www.fundinfo.com on the relevant product pages.

Active Solar is domiciled in Luxembourg. REYL & Cie Ltd, Rue du Rhône 4, 1204 Geneva, Switzerland, is the Swiss Representative of the Fund where legal documents are also available. The Swiss Paying Agent of the Fund is UBS Switzerland AG, Bahnhofstrasse 45, 8001 Zurich, Switzerland. For information on investor rights and how to raise complaints please go to www.activenf.ch/investor-rights.
Active Solar Fund is authorised and regulated in Luxembourg. It is a recognised collective investment scheme under section 264 of the Financial Services and Markets Act 2000, but it is not authorised or regulated by the Financial Conduct Authority. It is therefore unlikely that the UK Financial Ombudsman Service would consider complaints in relation to the fund, its operator or its depositary. Similarly, investors will not have access to the UK Financial Services Compensation Scheme in the event of their default.
This financial promotion has been approved by Zeyro (FRN 1001386) on 27.05.2026.
